THE SPECTACULAR ATLANTA AIRPORT, third busiest airport in the United States, enplanes and deplanes tens of millions of passengers each year, more than any airport on the Eastern coast of the United States. It is the world's busiest airport between 11.00 a.m. and 2.00 p.m. on any day of the year. This airport not only services the citizens of Atlanta but also serves as the air transportation hub of the South-eastern United States.
